Annual Report
April 05-March 06
&
April-June 06

FCA&C came into being on 1 July 2006, following a move to new office premises in St Andrews Town Hall. Since the closure of the Crawford, FCA&C have worked with partner organisations (primarily Fife Museums Service) across Fife to continue promoting high quality contemporary visual art and craft within the Kingdom.

The organisation continues to be staffed by 3 of its original staff members - Diana Sykes, Susan Davis & Arlene Keddie. With the welcome boost of Foundation Funding from the Scottish Arts Council, and continued support from Fife Council, it is hoped to continue the development.
