A MEETING OF ARTISTIC MINDS

Fife's Forum for Artists and Makers

Calling all visual artists and craft makers in the Dunfermline area. Fife Contemporary Art & Craft's annual Forum is once again taking place on June 7th at Rothes Halls, Glenrothes. The team at FCA&C hope to build on the success of last year's event which saw over 60 professional artists from the Kingdom come together for a day of informative talks, workshops and networking.

Angie Turner from FCA&C said, "Fife has an excellent reputation for its vibrant arts and crafts scene. The forum gives professional visual artists and makers the rare opportunity to get together in large numbers." Some of the ideas that were generated at last year's forum are now firmly established such as the 'Newsflash' and 'Newsletter'. These are excellent communication tools that are keeping Fife's visual artists and makers informed of what's happening and when."

The Forum is free of charge! Any visual artist or maker in Fife can book a space by emailing newsletter@fcac.co.uk or by downloading the booking form from the Fife Contemporary Art & Craft's website www.fcac.co.uk. Sign up for FCA&C's Newsletter and Newsflashes by sending contact details to newsletter@fcac.co.uk.
