FCA&C opens online shop

Following the success of their new website, Fife Contemporary Art & Craft are now further extending its possibilities by opening an online shop as one of its features.

The shop offers visitors the chance to purchase two types of goods – a wealth of exhibition publications plus some artist ‘multiples’ from previous exhibitions, numbering well over a hundred items in total; and some fabulous contemporary craft by a specially selected group of 12 UK based craft artists, (Bobbie Coleman, Andrea Eserin, Claire Heminsley, Ralph Jandrell, Louise Kirby, Lorraine Linton, Hilke Macintyre, Joanne Mitchell, Pumpkinsputnik, Dot Sim, Shauna Sturrock, and Kathryn Williamson) all of whom are past exhibitors with the organisation. Five are in fact based in Fife itself and the range includes ceramics, jewellery, textiles, paper & glass.

To begin with, sales are being restricted to within the UK, but it is hoped to extend this in the future. It is also the intention to continue adding to the work available, making it worthwhile to check back from time to time to see what’s new!

Log on to the FCA&C website and click on the ‘Sales’ link to shop at www.fcac.co.uk!
